Blast Frozen within Hours

Time is of the essence when it comes to top quality capelin. We catch the capelin close to our plant, while our workers wait on the docks to land the catch and get it into the plant as quickly as possible. Within hours, we blast freeze the capelin, male and female, to ensure you the finest quality capelin on the market today.

Cod

Fresh from Day Boats

If you look hard enough you may find a cod fillet as good as ours, but none better. Our fishers catch the cod, gut it, ice it, and land it at our wharf the day they catch it. We process this fresh catch within hours to produce one of the world's finest number one pack quality cod fillet. To our way of thinking, our customers deserve no less.
